Author: "Course Outlines for the Teaching of Voc. Ag.," Univ. Ill., 1923;
"A Rating Scale for Predicting a Man's Worth as a Teacher of Ag.," Mere-
dith Pub. Co., 1937; Pa. Exp. Sta. Bulletins 333, 342, and 385 in a long-
time study of voc. interests and voc. development of rural youth. Special
Editor, Research Section, mag. Agricultural Education, 1937-1943. Well
read. Much travelled. Able to convert his experiences into friendly and
pleasant exchanges with those about him. A prolific contributor to pro-
fessional literature and journals. Respected and admired by both his stu-
dents and his colleagues. Widely recognized and appreciated through his
intelligent editorship of articles for the national magazine Agricultural
Education.   -- H. S. Brunner, H. C. Fetterolf, and R. W. Stimson.
