

WHEELER, John Taylor, 1886- Pennsylvanian by birth,

.....
Cut from : Georgian by adoption. Univ. Wisconsin, B.S.A., 1916;
glossy :
print sent : M.S., 1924. Cornell Univ., Ph.D., 1930. Supt. of schools.
me. :
: College teacher of science. Asst. Prof. of Horticulture

.....
at Mass. St. College. While in Mass., studied "School and Home Farm
Cooperation" concept and program, ^{with a willing tutor,} ~~with-a-willing-tutor,~~ at Northampton
and other schools with varied farming problems. November, 1937, wrote:
"There I received the inspiration that changed the course of my life
..... and gained the philosophy of ed. which I ^{still} ~~new~~ hold. In 1917, I
came to Georgia, and brought with me....(this) philosophy...." First
employee in Ga. voc. ed. program. First ag. teacher-trainer at Univ.
of Ga. Has stressed balanced ed. for farmer-citizenship. Resourceful
unfolder of new methods. Developed apprentice teacher-training, brought
to nationwide attention in U.S. Office of Ed. Bul. 219, 1941; including
training young teachers of adults, under the philos., "Facts take the fear
out of facing farmers." Helped carry ed. program under A.A.A. to more
than half-million farmers Southwide. On American Council Near East
Foundation, which carried ag. ed. and the Future Farmer movement ^{abroad.} ~~into~~
Albania, Greece, Iran, Iraq, and Turkey. ~~Effective speaker, and writer~~
~~of articles and books. Widely sought~~ ^{speaker, writer, and consultant.} ~~collaborator and consultant.~~
~~In person and in print, an outstanding contributor to ag. career ed.~~

--R. W. Stimson--

Widely sought speaker, writer of articles and books, and ed. consultant.
